Scottish Registered Charity No. SC0025500

Scottish Registered Company No. SC253124

## HISTORY

Broughton After School Club has been running since 1995. The club provides a stimulating programme of play and leisure opportunities for children out with normal school hours, whilst supporting family needs, for parents/guardians who may work or study.

The club is run and managed in accordance with the Care Inspectorate's National Care Standards and is registered with the Care Inspectorate. In our latest report we attained very good's or in all areas inspected, this grade was one of the highest in the central belt. As a Scottish Registered Charity the club operates independently from the school and is managed by a voluntary board of Directors, comprising of interested parent/guardian members.

## ABOUT THE COMPANY

The Company was set up in 2003 to take over the running of the club. It is a non-profit making limited liability company and registered charity.

The Company is owned by all of the parent members (i.e. you) so you have direct responsibility for ensuring that, through the Management Committee, the club continues to provide the service that you have come to expect and want for the future.

## BOARD OF DIRECTORS

BASC is run by its members. The Board of Directors are made up of parents/guardians using the club. The Board has overall responsibility for the running of BASC. Meetings are held roughly five, or six times a year and a children's club facility is offered during these meetings to support attendance.

**New Parents are always welcome as the club can not legally operate without a Board of Directors.**

Not every parent has the time to spend attending Management meetings, however, all members are encouraged to raise issues through contacting members of the Board, or the Project Manager.

## **AIMS of BASC**

- we aim to provide an out-of-school service for children of primary school age which develops activities and opportunities appropriate to each child's needs and interests, through the support of a dedicated team of staff.
- we aim to support children's development socially, physically, creatively, intellectually, and emotionally, with elements of choice and equality for ALL child members.
- we aim to support the needs of parent/guardian members by offering a flexible and safe environment, which supports their childcare needs.

## **ACCOMODATION AND FACILITIES**

### **TIMES**

The club runs during term time from 2.55pm until 5.45pm from Monday to Thursday and from 12:05 pm until 5.45pm on Fridays. During in-service days and school holidays BASC operates from 8.15am until 5.45pm.

**Children must be collected by 5.45pm, by the named persons on the registration form, or another person by prior arrangement.**

Children in years P1 and P2 are collected every day from school by our staff. Older children (P3-7) make their own way to the club, where staff will be present to greet and register each child.

## PROGRAMME OF ACTIVITIES

The club provides a varied programme of activities always appropriate to the age and stage of development of the children while maintaining safe and supervised environments . The programme is flexible and includes structured activities and free play. The weekly programme will include a variety of sport and games, arts and crafts, swimming, outings (Fri) and other themed activities.

Children attending the club are considered as “members” and to support this process all child members are encouraged to help staff formulate club rules, and to take part in Children’s Committee and planning meetings. The children also have their own tuck shop which helps raise money towards the cost of activities. The tuck shop runs twice a week (max 30p).

During full afternoon sessions, snacks comprising of juice and biscuits /fruit will be provided. Members should remember to provide a **packed lunch** on Fridays (if school packed lunch is not taken) and during holiday times.

Soft-soled footwear may be more beneficial for use in the playground and gym. Members are reminded that we use the playground at all times of the year and in all weathers so the children need suitable clothing for indoor and outdoor play (including rainwear).

## SAFETY

Standard Health and Safety procedures will always be in operation. The Parental Agreement gives permission for activities to be organised in the playground and covers all outings. Term time swimming is always attended by a qualified lifeguard.

Fire instructions are posted in various parts of the buildings used by the club and all children will be instructed on procedure and assembly points.

## SERVICES

There are two types of BASC membership, After School membership and Holiday Membership.

The After-School membership is for families based in the school using the club after school hours and during holidays periods. The allocation of places is made by the Project Manager subject to availability.

Holiday membership is available to families from Broughton Primary and out with the school.

The club offers a range of after school services to members;

**Half Hour Club** operates for P1-2 children and covers the half hour session from when they finish school and the P3-7 children come out of school

**Afternoon sessions** run every day through the term from the time your child finishes school till 5:45pm

**Full days** operate during holidays, in-service days, some bank holidays and days where schools may be closed. All full days are booked separately through the appropriate online system and by the ADHOC contract.

Parents can pick and choose which days they wish for holiday places and will be informed of when to do this through e-mail.

Once you have decided which days you require during term time then these are fixed and subject to the cancellation and withdrawal policy should you wish to change or cancel your afternoon space.

# APPLICATION FOR A PLACE AT THE CLUB

We are required by law to keep records of the children attending the club and information in the case of an emergency. It is a parent or guardian's **responsibility** to ensure that this information is accurate and up-to-date throughout the year. This data will then be kept on computer, in keeping with the Data Protection Act. No information will be given to anyone other than the Committee and the club staff without written permission from the parent concerned.

An annual registration fee of £28.00 is required for a child/ren to attend the club. The registration fee covers all children in a family and runs from the start of the school summer holidays to the end of the following year's summer term

Application for a place should be made by email the manager on [katie@bascedinburgh.com](mailto:katie@bascedinburgh.com). On confirmation from the Project Manager that your application has been successful you will be asked to set up your online account with the club.

# REGISTER

A daily register of children's attendance will be kept. Persons responsible for collecting children should be made aware that all children must be signed out each day by those named on the registration forms, or by another with advanced notice. During holiday and in-service days all children must be signed in.

**It is the Parent/Guardians responsibility to inform the Club of any changes to the child's attendance. Failure to give correct notice will result in a normal full charge for the session/s that the child has missed.**

## ABSENTEE DUE TO SICKNESS

Nonattendance of a child due to sickness is to be given by 10 a.m. on the day of absence. It is the policy of the club when a cancellation due to sickness is made to confirm the child was also absent due to sickness from the school. If the child was not absent from school you will be charged at the normal rate. If a child is sent home from school during the day with ill health, and again our policy is to confirm this with school, please contact the Club immediately and no charge will apply. If you fail to inform the club you will be charged at the full rate.

## TERM-TIME CANCELLATION

Notification of a change to a child's attendance in the After School Club will require to be given one week in advance (by 12 noon). Parents can cancel up to three times per school term with due notice as outlined above without suffering any financial penalties. If you have more than three cancellations per term you will be charged for the full session. Any cancellation without due notice will be charged for the full session.

Regular or repeated non-attendance for fixed places may result in these places being altered to occasional place status. This will only occur after a review of the circumstances in consultation with the parents.

## HOLIDAY CANCELLATIONS.

Notification of a change to a child's attendance in the Holiday Club will require to be given two weeks in advance (by 12 noon), and for summer holiday club this is increased to two weeks prior to the school term ending. Where a child is sick and unable to attend any holiday club days, if a place is taken up and paid for by another child from the waiting list, no charge will apply.

# PARENTAL AGREEMENT

This is a written contract between the parents/guardians and the club outlining each other's responsibilities, regarding attendance and collection procedures. It also acts as a blanket consent form for outings and outdoor play and requires a parent or guardian's signature.

## FEES/ CHARGES 2022/2023 (until end of Jun 2022).

Registration Fee	£33
<b>Afternoons</b>	
Monday - Thursday	£15.40
Fridays	£19.25
Half-Hour Club	£2
<b>Others</b>	
Holidays/ In-service	£32
Outings (Fridays & holidays)	£5
Swimming	£2.50
